

# Trevallyn Nature Recreation Area

## RESERVE USERS CODE OF CONDUCT

### RESPECT RESERVE USERS

- Keep to the left and be cautious at corners, blind spots, and when approaching other users.
- Mountain bikes slow your speed when passing, and make sure other users are aware of you.
- Pedestrians have right of way over mountain bikers, and horse riders have right of way over both.
- Dogs must be under control at all times and not disturb other users.

### MINIMISE ENVIRONMENTAL IMPACTS

- Take all litter and waste with you.
- Keep wildlife wild and observe from a distance.
- Leave rocks, plants and other natural objects as you find them.
- Respect Aboriginal and other sites of cultural significance.
- Ensure footwear, horses, and bikes are clean before you enter the reserve to avoid the spread of phytophthora and other soil-borne diseases and weeds.

### STAY ON DESIGNATED TRACKS ON DURABLE SURFACES

- Do not widen tracks and avoid riding muddy tracks.
- Please comply with all signage.
- Know the reserve boundaries – stay off private land.

### TAKE RESPONSIBILITY FOR YOUR OWN SAFETY

- Plan ahead and prepare.
- Let someone know where you are going.
- Dress appropriately and carry appropriate safety gear for your activity.
- Carry a mobile phone.
- Know your ability.

Report unauthorised activities or issues to rangers at Tamar Field Centre on 6336 5391.
